Vikash Gupta

FULL STACK DEVELOPER

OBJECTIVE

To obtain a challenging UI/UX Designer position where my creativity, problem-solving skills, and experience in designing engaging and user-friendly interfaces can be utilized to enhance user experiences and drive business objectives.

EXPERIENCE

INFRA TRANSFORMATION ASSOCIATE | ACCENTURE (NOIDA)
JUN 2022 (Full-Time)

Hands-on experience in ServiceNow portal development, enhancing user interfaces and functionality.
Applied expertise to streamline processes and improve overall user experience.
Collaborated effectively with cross-functional teams for successful delivery of service portal applications.

BACKEND DEVELOPER | EMOHA ELDERCARE (GURUGRAM)
OCT 2021 – MAY 2022 (Internship)

Interned as a Backend Developer, specializing in Node.js and API creation. Developed scalable and efficient backend solutions, implementing RESTful APIs to facilitate seamless communication between front-end and database systems.

FULL STACK DEVELOPER | SIKARWAR SOFTWARES (GURUGRAM)
Mar 2021 – Sep 2021 (Internship)

Interned as a Full Stack Developer, specializing in PHP CodeIgniter framework. Designed and implemented dynamic web applications, ensuring seamless integration of front-end and back-end components. Developed and maintained RESTful APIs for efficient data communication. Additionally, actively participated in server deployment tasks and collaborated closely with the team to deliver robust and user-friendly solutions during the internship.

CERTIFICATES

CSA (Certified System Admin) & CAD (Certified System Developer) from **SERVICENOW**
Web development training from Sambhav Foundation supported by **Dell India Limited**
CRM (Customer Relationship Management) Training from **Accretive Technologies**

ABOUT ME

I thrive on challenges and enjoy turning complex problems into simple, elegant solutions. My goal is to build scalable and efficient applications that not only meet but exceed the expectations of users. With a solid foundation in both front-end and back-end technologies, I bring a holistic approach to development projects.
